Dear Parent/ Guardian;

As we begin our Winter Quarter may we say how very proud we are of all the students, and the excellent job they are doing memorizing their Bible verses each week. Nearly every student memorized some of their Bible verses and we had 30 students receive Perfect Memory Verse Awards! So please continue to encourage and help your student memorize their Bible verse each week.

Attached is our winter quarter syllabus and weekly memory verses. Our hope is that you will use these tools to talk with your student about what they're learning as well as encouraging them to memorize their Bible verses each week. By the way, we have put the memory verses on our church website. In case you misplace them, you can go to [www.EFREEDB@.org](http://www.EFREEDB@.org) and click on Children's Ministries.

Last quarter the children set a goal of purchasing 100 pairs of Christmas shoes for children all over the world. The children brought in their offering each week and we were able to meet that goal! These shoes will be such a blessing to children who are often plagued with disease because of their bare feet being exposed to broken glass, nails, and other sharp objects that are contaminated.

Our desire is that your children will not only follow Jesus, but know how they can share their faith with others! Starting Sunday, February 14, we will be offering a special 14 week course during 2<sup>nd</sup> service for students that are in 3 – 5 grades called *Kids' Evangelism Explosion*. We will be sending out more information and an invitation for parents / guardians to join us. This course requires that we have at least one adult for every two students. This will be a fantastic opportunity for you and your child to learn how to effectively share your faith with others! So please begin to pray about what your involvement might be.

Finally it is not too late for your child to participate in our Wednesday Night Live Kids' Club program that is open for children 4 years old – 5<sup>th</sup> grade. This year's theme is **"THAT ONE THING!"** We will be exploring examples throughout the Bible of how one decision, one word, one friend, one choice can either bring a person up or it can take them down. We will share with the students how important it is that they choose wisely, and how God can help them. The cost is \$20 per student, with a maximum of \$50 for a family of three or more. A club T-shirt and all materials are included. Join us for dinner from 6:00 to 6:45 pm, with a suggested donation of \$3 per person and a cap of \$10 for a family of four or more. All programs for kids, junior high, high school, and adults, are from 7:00 to 8:30 pm. We do have infant and toddler childcare available at no cost.

Lastly, Bre Hankins will no longer be our Children's Ministry Intern. She has graduated from Cal Poly and is now seeking full time employment. Please encourage her with a note or a word of thanks! Bre has been such a blessing to this ministry and our hope is for her to find a great place to work and serve.

Please don't hesitate to contact me through the church office if you have any questions.
